Dear Families of Swillington Primary School,

Thank you all for this week. In Monday's assembly we discussed worries and the importance of sharing them with someone else. We used the following story to support our understanding-

Understanding mathematical methods

After some feedback from a parent/carer, each week we will explain to you methods that we use in school.

This week we are sharing with you the whole part model (in its simplest form). Having a secure understanding of this will allow pupils to recall number facts quickly.

Zones of regulation

After introducing zones of regulation last year, we are continuing to learn about how to manage our emotions. Here is a link to help you understand some of the vocabulary we are using in school.
