

The 2017 assessments for KS1 and KS2 are the second year to assess the new, more challenging national curriculum introduced in 2014. Pupils now receive a test result as a scaled score and a teacher assessment based on the standards in the interim framework. Because of the changes, these test results are not comparable to the previous national curriculum level outcomes.

Due to the Covid-19 Pandemic, testing did not happen during 2020.
