

Elephants Autumn 2 Homework Challenges
How many points can you get this half term?

<p align="center">Christmas</p> <p>As this half term leads into Christmas, I would like the children to either make a bauble to put on our class Christmas tree or some kind of decoration to jazz up the classroom when the time comes!</p> <p align="center">Be as creative as you can!</p>						<p align="center">Well being!</p> <p>Complete an activity to help with your wellbeing. This could include some Christmas baking, going on a family walk, enjoying a movie afternoon, exercising or joining a club, learning a new skill or any other activity that makes you feel happy and healthy - most importantly, have fun!</p>					
<p align="center">50 points</p>						<p align="center">10 points for each activity completed.</p>					
<p align="center">Learn your spellings using Look Say Cover Write and Check or another spelling activity from the spelling sheet.</p>				<p>Practice your handwriting - Pick three words from the Y2 tricky words or your weekly spelling sheet and write them out.</p> <p>Make sure you start on the line with your whoosh and form the letter correctly - lets have a big push on our handwriting this half term!</p>		<p align="center">Reading review!</p> <p>Pick your favourite book and complete a book review video to upload to dojo. Tell me why this book is your favourite and why you think others in our class should read it.</p>					
<p align="center">10 points for each week you do this</p>				<p align="center">10 points for each week you do this.</p>		<p align="center">10 points for each week you do this.</p>					
<p align="center">Reading</p> <p>Read your reading book at home. Make sure the person you read it to records it in your reading record - each time you read during the week can be recorded.</p>				<p>Learn your number bonds (pairs of numbers) to 10, for example $4 + 6 = 10$.</p> <p>Do you know them off by heart, if I say 4, can you tell me quickly that 6 is its pair to make 10?</p> <p>Extra challenge- Do you know your pairs of numbers to 20? 100? 1000?</p>		<p>Increase your number fluency by playing on Numbots/TTRS</p> <p>We are looking or highest earner and superstar collector!</p>					
<p align="center">10 points each time you read</p>				<p align="center">10 points for each activity linked to this</p>		<p align="center">10 points for each 20 mins played</p>					
<p> </p>				<p> </p>		<p> </p>					

<p>Bronze completed:</p>	<p>Silver completed:</p>	<p>Gold completed:</p>	<p>Platinum completed:</p>
