

Friday 2nd July

Dear Families of Swillington Primary School,

Thank you

Thank you all for this week. Once again, there has been a fantastic range of learning across our school. Some of our older pupils have been learning about aspirations and attended a Google Meet with many different professionals and learnt about their jobs.

Cyber Attacks

Please be advised that parents and carers are at high risk of fraudsters. They are using highly sophisticated methods to look genuine. **If you are ever in doubt about an email or text, please call the school office before making any payments.**

Online safety

If your child experiences a problem online, they can log it with school if they need support. This will also support school with delivering current and up to date online safety lessons.

Handwashing

We are advised that regular hand washing helps to stop the spread of coronavirus. Some children already use a different soap. If your child is showing a reaction to our soap, please let school know. We will reduce the amount of hand washing to key times. Thank you.

Attendance

Thank you for supporting your child's attendance.

To date our attendance for the year is 96.8%

This week, our whole school attendance has been 96.4%. We have seen a huge rise in term time holidays. Thank you for not taking holidays in term time.

Contacting school over the weekend

So that we can contact other members of a class bubble, please let us know if your child receives a positive test result. **We will only need to be informed of a positive test.**

Only contact us using this mobile school number- 0776 1749 214. Please send a text message. Thank you.

Wrap Around care

Our Breakfast Club and Tea Time Club is running as normal. If you would like to book your child into any of these, please contact the school office.

We are really excited to announce that @Warburtons will be sponsoring our Breakfast Club for the next few months with some amazing produce. Thank you!

Assembly Theme

This week we had reminders about our school rules and the importance of hands, feet and objects to ourselves.

Packed Lunch Policy

We will shortly be reintroducing our packed lunch policy. We have noticed that many children are bringing confectionery in their packed lunches. Please note: these are not allowed in packed lunches. A cake bar or a biscuit is allowed and forms part of a balanced lunch.

Parking Safety

Please can we remind you to safely park near school, a number of parents have informed me that parents/carers are mounting the kerbs and nearly causing an accident. If possible, park opposite the school side.

Lunches from April 2021

The menu is on our website. Next week, will be the Week 2 menu.
