September 2020

Welcome Back!

What a great start to the new school year! We are really excited for our new term.

Homework

Homework books will need to be in school on Monday and will be returned on Tuesday.

Zones of regulation.

In afternoon sessions, we are learning about 'zones of regulation'. These are 4 zones of emotions that we all enter at different points. We are helping the children to understand how they can use strategies to help them get into the 'good to go' green zone

PE kit

Children will need to come to school in PE kit on Monday and Friday.

PE kit includes:

- Navy shorts or trousers.
- Plain white t-shirt
- Trainers

Please avoid wearing branded / logos on clothing.

English

In English, we are reading *The Boy, the mole, the fox and the horse* by Charlie Mackesy. We are focussing on the quotes within the book to help develop the children's understanding of their lockdown experience and how we move forward from this.

Maths

In Maths, we have started out place value unit. We are ensuring that we follow the White Rose recovery curriculum to recap on necessary learning that the children may have missed.
