I'd just like to say thank you very much for all your help and support during these difficult times.

The school are doing an amazing job. Hopefully these crazy times will be behind us soon and we can have some form of normality back for the kids. In the meantime keep up the amazing work you are doing, you all deserve a medal.

I am really happy with the level of home learning XXX is receiving, the Google meets allow there to be a structure to the day and he gets to see his friends which helps his mental health! Thank you for all you are doing.

Very happy with everything, thanks so much to all the staff for their time and efforts. We are enjoying the Google Meets and Dojo is a fantastic resource.

I think its working really well this time round. The children are much happier as am I and the work is easy to access and they are enjoying it a lot more than last time. The Google meets are fantastic so they get to interact with teachers and classmates.

Excellent work teachers as must be so hard trying juggle in school lessons as well as home lessons. Spot on communication.

Collecting paper work on a Monday is a great help

My son is currently in snow leopards class with Miss Wilson. I can't thank Miss Wilson enough for everything she does and the days XXX has been home schooled and joined live classes I have been so impressed with how amazing Miss Wilson is with all the children she genuinely cares about every single one of them and is a fantastic teacher. XXX loves going to school because of Miss Wilson and the lovely class he is in.

We are really happy with the provision and are really impressed at the teachers' quick adaptation to online teaching. Thank you to everyone for their hard work.

Really appreciate you guys. I know you are juggling kids at school and kids at home. I think you are doing a fantastic job. Every question I have has been answered and Mrs Morgan has even pulled extra stuff together for us. Thank you!

Thank you for all the effort put in by all staff during these times!

Lots of support from our class teacher, staff always willing to help.

Support from school has been fantastic. Although home learning can never replace being in a classroom, I feel the live lessons help. Being able to contact teachers via class dojo is great, and always gets a positive response. Well done!
