

5.2.21

**Review of our home learning offer**

**Using our parent survey responses and parent forum responses**

**You said, we did.**

| <b>You said</b>  | <b>We listened</b>  |
|--|---|
| Also for English - can we have a list of what everything my child needs to know in English - like an A-Z - from fronted adverbials to conjunctions and everything in between - with sentences with examples in them?   | <a href="https://www.theschoolrun.com/primary-literacy-glossary-for-parents">https://www.theschoolrun.com/primary-literacy-glossary-for-parents</a>   |
| The parents meeting to go through how to do maths - fractions coming up - that's a great idea! Could you record them so others can view them as needed please?   | We will record these and post on Dojo.  |
| Also any chance you could post videos for a complete novice somewhere when we have to teach our children how to do a maths question that we use the correct terminology and not confuse them to no end.  | We will post our own videos to support.<br><br>You can also find a lot of support videos here-<br><a href="https://mathsnoproblem.com/en/parent-videos/">https://mathsnoproblem.com/en/parent-videos/</a>   |
| It is very hard to learn with three children at home, I would appreciate a few tasks that could include smaller children, like dojo points for a video of reading a story for the little ones or P.E. tasks with an option to include siblings and/or parents. | We will reward points and assembly special mentions for children reading independently and for other siblings supporting each other.  |
| 8% of the parents surveyed feel that the 4+ hours of learning set each day is not enough.  | Further websites have been added to our school website, so extra learning can be accessed-<br><a href="https://swillingtonprimary.com/curriculum/home-e-learning-websites/">https://swillingtonprimary.com/curriculum/home-e-learning-websites/</a><br><br>We have a fully stocked virtual library for extra reading-<br><a href="https://swillingtonprimary.com/community/the-virtual-library/">https://swillingtonprimary.com/community/the-virtual-library/</a><br>Password= xuu4495 |
| It would be great if it was all across one platform. I find dojo is much easier to use than tapestry.  | We understand this will be tricky if you have children across school. Tapestry is designed for early years and links to the 17 areas of learning.   |
| Can parents contribute to DOJO points?   | Yes, keep a tally of DOJO points you are giving out and share these with the class teacher at the end of the week. We will then add them to your child's account.   |
| My child sometimes gets frustrated that I don't use the same language as their teacher.  | A vocabulary mat for each unit will be shared by your child's class teachers. This will support you   |

to use the same language that we would in school.

I would like to be able to support my child so they are ready to return to school with minimum gaps.

We will share with you individual year group 'key skills' sheets which will outline the basic skills that make a big difference. These will be skills that you can work on frequently at home.
