September 2020

## Welcome Back!

What a great start to the new school year! We are really excited for our new term. We have loved meeting all of you.

## Home Learning

Home Learning books will need to be in school on Wednesday and will be returned on Friday. These will be handed out on Friday 25<sup>th</sup> September.

### Talk for writing.

In Talk for writing, we are reading Here we are by Oliver Jeffers. This book will support the children to re-connect with each other and re-engage with school life and help the children understand their lockdown experience and how we move forward from this.

### Maths

In maths we make sure that the children can use the five counting principles which can be found here,

[https://toolkit.mathematics mastery.org/app/webroot/js/tiny\\_mce/plugins/moxiemanager/data/files/How%20children%20learn%20about%20counting.pdf](https://toolkit.mathematics mastery.org/app/webroot/js/tiny_mce/plugins/moxiemanager/data/files/How%20children%20learn%20about%20counting.pdf)

These principles will support the areas we are looking at this half-term. Matching, sorting and comparing amounts.

## Our Drivers

Finding the talent in everyone by...

Respecting the environment

Being tolerant

Keeping safe

Imagining the possibilities

## Tapestry

We enjoy sharing with the class any photos you upload to Tapestry. This could be a new skill you have learnt or maybe you went somewhere special at the weekend.
