

Snow Leopard's News

January 2020

Welcome Back!

Happy New Year! We are looking forward to another exciting term.

Home Learning

Home learning will be added to Tapestry every day by 9:00. We will have a mixture of live teaching and videos for you to access. Please check tapestry daily for updates. Don't forget we also have a page on our school website which is full of further websites that your child/children can access for learning. <https://swillingtonprimary.com/curriculum/home-learning-websites/>

Maths

In maths we make sure that the children can use the five counting principles which can be found here,

https://toolkit-mathematicsmastery.org/app/webroot/js/tiny_mce/plugins/moxiemanager/data/files/How%20children%20learn%20about%20counting.pdf

These principles will support the areas we are looking at this half-term. Introducing zero Comparing numbers to 5, Composition of 4 & 5, comparing mass and comparing capacity

Topic

Our topic this half-term is all about Homes, we will be looking at the different types of homes around us. We will also be looking at the relevant seasons.

PSHCE

This half term we will be looking at being resilient and having a can-do attitude. Throughout the half term we will look at stories to reinforce this. We are also going to look at strategies' children can use to help them be resilient.

Our Drivers

Finding the talent in everyone by...

Respecting the environment

Being tolerant

Keeping safe

Imagining the possibilities

Tapestry

We would still love to see what you are getting up to at home. This could be a new skill you have learnt or maybe you went somewhere special at the weekend.

Key Dates

Assembly - every Monday at 1:15pm

Star of the week assembly - every Friday at 2:25pm
